Emergency Preparedness:

All schools are required to perform fire drills and security drills to teach the children how to safely exit the building or proceed to a safe place should an emergency arise. These drills are done on a regular basis with full participation from all people in the building. Anyone using the building before or after school hours is expected to comply and leave the building upon hearing the fire alarm. Security Plans for each building are in place and address a variety of emergency situations. The emergency plan will be executed only in the event of a situation or obvious danger to the students and staff. We strongly encourage all parents and guardians to refrain from contacting the school or BOE if you become aware of a security measure. Parents will be notified via swiftreach with necessary information.

PARENTS WILL NOT BE PERMITTED INTO THE BUILDING DURING ANY EMERGENCY RESPONSE SITUATIONS.

VISITORS:

To ensure the safety and security of students, faculty, staff, and guests visitors are required to present themselves to the security officer upon arrival at school. Visitors must present proper identification (driver's license or another form of I.D.), sign in, and receive a visitor's badge. Upon departure, visitors are asked to return to the security officer to sign out. The identification will be returned at this time. The school administration and guidance department will minimize the number of parents/guardians/visitors who request entry to a school building by scheduling appointments.

CLASSROOM CELEBRATIONS

The Cliffside Park School District has developed a wellness policy based on state nutritional guidelines in order to reduce childhood obesity, promote better health for children, and provide a safe, caring environment for all children. Due to these guidelines and potential allergy concerns, classroom celebrations and parties should focus on the interactive social benefits of such activities. For the safety of the students, food should not be offered during such events. Non-edible treats are recommended (pencils, stickers, vouchers to school store, etc.).

Dress Code:

The faculty, administration, and students of Cliffside Park Schools generally agree that certain standards of appearance are necessary to create and maintain an appropriate environment for learning. At the same time we believe that, within the framework provided by the New Jersey School Laws, school attire is primarily the responsibility of the student and his/her parents. Further, we recognize that styles and fashions change from time to time and that such changes will be reflected in the attire of the student body. Therefore, we believe that guidelines for school attire should exist and that they should be designed to preserve the learning climate through acceptable standards of dress, to respect individual student rights of dress and grooming choices, and to allow for changes in customs, styles and fashions. Primarily, students should be dressed in such a manner that they are safe and do not distract or offend others.

1.All Staff and Students are required to wear masks at all times and strive for social distancing in their classrooms and throughout the school.

2. Footwear must be worn at all times and it should be appropriate and safe for each activity. Flip flops, clogs or shoes without a back are dangerous and should not be worn.

3. Clothing shall be sufficient to conceal undergarments at all times. Clothing such as see-through or fishnet fabrics, halter tops, tube tops, low-cut tops, and bare midriffs are prohibited. All students' shirts, blouses, and dresses should cover the shoulder top. Dresses, skirts, and shorts must cover to at least mid-thigh length. Undergarments are not to be worn as outer garments. Torn or ripped garments are not to be worn.

4. Clothing or jewelry which displays obscene words or pictures will be prohibited. Chains or jewelry which could be used unsafely are also prohibited.

5. Basketball jerseys and tank tops are acceptable only if worn with a t-shirt or appropriate cover-up.

6. Hats, bandanas and other headwear are not to be worn in the building.

7. Students are prohibited from wearing, while on school property, any type of clothing, apparel, or accessory which indicates that the pupil has membership in, or affiliation with, any gang or group associated with criminal activities. Long t-shirts below the knee are prohibited.

8. Body adornments, including but not limited to, body piercing jewelry, which may jeopardize the safety and well being of the student or others are prohibited during physical education classes.

9. During the warmer months, from May 1st through October 1st students will be permitted to wear shorts. Shorts and skirts must be mid-thigh length.

Any of the rules regarding the dress code are subject to the interpretation and/or discretion of the school administration. The administration also reserves the right to exclude students who are inappropriately attired from attending class.

DISCIPLINE:

Each staff member accepts the responsibility for the maintenance of discipline. A student's behavior should conform to acceptable standards of conduct as established by the principal and teachers. The staff requests parental support in helping maintain appropriate conduct in the school. Children's behavior should reflect self-respect and consideration for the rights, feelings and property of others.

STUDENTS' RESPONSIBILITIES:

One of our educational goals is to help your child develop the life skills necessary for a happy and successful future, including a sense of responsibility and personal accountability. To assist us in achieving this goal we ask that all lunches, homework, gym clothes, instruments, etc. be brought to school with your child at the beginning of the school day. This will minimize classroom disruptions and allow for continuity of instruction. Any of the aforementioned items brought to school during instructional time must be left with the security officer.

CODE OF CONDUCT:

Students are expected to act in a civil, courteous, and studious manner. In so doing, children contribute to their own success and that of others. To focus on these desirable characteristics, a Code of Conduct has been developed. The following expectations represent a path to success:

- 1. Show respect to everyone
- 2. Not be violent in speech or action;
- 3. Not cheat or take items and not tolerate those who do;
- 4. Maintain studies as a primary goal at school;
- 5. Be honest in actions and relationships with others;
- 6. Always strive to make families proud;
- 7. Attend school daily;
- 8. Accept the consequences if mistakes are made;
- 9. Always strive to do the best;

10. Recognize that we are all unique individuals who should strive to apply our talents to make our school a better place.

<u>Recess Rules: (IF Permissible)</u>

These rules are established for the safety of all children to prevent accidents or injuries.

- 1. Listen to and respect the adults on duty. Follow their directions the first time they are given.
- 2. Use playground equipment (balls, jump ropes) properly and safely. Include others in your games and share so everybody has a turn.

- 10. Line up to enter the building in a quiet, orderly fashion immediately after the whistle is blown.

HARASSMENT, INTIMIDATION, AND BULLYING (HIB):

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others. For further information and clarity, please visit: http://www.cliffsidepark.edu/index.php/student-code-of-conduct/

Cell Phone Policy:

Students may carry cell phones to schools provided they are stored in a backpack or locker. Cell phones must be turned **"off"** at all times. **This means "off"**, **not on the muted or vibrate mode.** Upon entering the building in the morning, phones and all electronic devices must be turned off and should not be visible.

If a student phone or any other personal electronic device is discovered turned "on", it will be confiscated by the staff member and sent to the office and the following disciplinary actions will be implemented:

First Offense: A parent will be contacted and the cell phone / personal electronic device will be returned to the student at the end of the day.

<u>Second Offense:</u> A parent will be contacted, the student will serve an after – school detention and a parent will be required to come into the school to pick – up the cell phone / personal electronic device.

Third Offense: The third offense constitutes "defiance of authority" and will result in a suspension and loss of cell phone privileges for the remainder of the school year.

The district is not responsible for lost, stolen, or damaged cell phones or personal electronic devices.

NJ Health Education

The Cliffside Park School District acknowledges that families are the primary health educators for their children. We are excited to partner with you as we move forward with our new Health curriculum. This year, like many other districts in Bergen County, we will continue to use the, "*Great Body Shop*," an age appropriate health curriculum. After further discussion, we have been able to carefully narrow down the potentially delicate topics within each grade level. If you would prefer for your child to **not participate** in the topic(s) listed below, please complete the opt-out section on the district curriculum website. Please note Health is a mandatory subject in the State of New Jersey.

The Health Committee, Director of Curriculum, Health/PE Supervisor and Elementary Supervisors have reviewed all of the New Jersey standards and curriculum and identified the following topics as potentially delicate.

The full detailed list of topics and sub-topics can be found at: <u>*Great Body Shop: K-6 Program Guide*</u>.
