Cliffside Park Middle School offers a wide variety of opportunities for all students, both in academics and extracurricular activities. This handbook is designed to familiarize students and parents with our expectations and guidelines for student conduct. We ask each student to read the handbook and discuss it with a parent or guardian. It is our hope that you will be proud of our school and that your experience here will be pleasant and rewarding.

Statement of Philosophy

The mission of the Cliffside Park School District is to provide students with a safe, academically focused environment within our culturally diverse community. We will challenge each student to confidently achieve his or her educational and personal goals as well as acquire the work and social skills essential to become a productive member of society.

Cliffside Park Public School Website

The district maintains a website that contains important information about each school with additional interesting facts and references regarding the Board of Education, administration, school calendar, athletic schedules, and other programs.

The Website address for the Cliffside Park Public Schools is: www.cliffsidepark.edu

Visitors

For the safety and security of students, faculty, staff, and guests, visitors are required to present themselves at the Security desk upon arrival at Cliffside Park School #6/Middle School. Visitors must present proper identification (driver's license or another form of I.D.), sign in, and receive a visitor's badge. Upon departure, visitors are asked to return to the office to sign out. Parents are

not only welcome but are encouraged to visit. Students are not permitted to bring student guests to school as it distracts from the normal flow of educational activities in the classrooms

Halls and Passes

During the school day, students are not to be in the hallways or the lavatories without a pass. Teachers and the office staff issue passes only. If you wish to see a teacher during his or her free time, you must arrange to do so in advance. Students may be subject to disciplinary action if found in the hall without a pass.

School Calendar

The Board of Education reserves the right to adjust the calendar at any time. A copy of the school calendar, legal holidays, and vacations is found on the school website.

Student Dress Code

The faculty, administration, and students of the Cliffside Park School District generally agree that certain standards of appearance are necessary to create and maintain an appropriate environment for learning. At the same time, we believe that, within the framework provided by the New Jersey School Laws, school attire is primarily the responsibility of the student and his/her parents. Further, we recognize that styles and fashions change from time to time and that such changes will be reflected in the attire of the student body. Our dress code reflects guidelines for school attire designed to preserve the learning climate, respect individual student rights of dress and grooming choices, and allow for changes in customs, styles, and fashions.

DRESS CODE

- Footwear must be worn at all times and should be appropriate and safe for each activity. Sneakers are the only approved footwear for physical education classes. Unsafe footwear (sandals, slip on shoes without backing, etc.) is not permitted. If students wear Croc footwear, the strap must be resting on the back of the foot/ankle.
- Clothing shall be sufficient to conceal undergarments at all times. Clothing such as see-through or fishnet fabrics, halter-tops, tube tops, low-cut tops, and bare midriffs are prohibited. Undergarments are not to be worn as outer garments. Torn or ripped garments are not to be worn.
- Clothing or jewelry, which displays obscene words or pictures, will be prohibited. Chains or jewelry, which could be used unsafely, are also prohibited.

- Basketball jerseys and tank tops are acceptable only if worn with a t-shirt or appropriate cover-up.
- Hats, bandanas, and other headwear (durag, wave cap, tight-fitting headpieces) are not to be worn in the building.
- Clothing is to be worn as the design was intended. That is, the waistband of pants and shorts should be fastened at the waist.
- Non-prescription sunglasses, glazed and tinted glasses, except as prescribed by the pupil's doctor, are not to be worn indoors.
- Students are prohibited from wearing, while on school property, any type of clothing, apparel, or accessory, which indicates that the pupil has membership in, or affiliation with, any gang or group associated with criminal activities. Long t-shirts below mid-thigh are prohibited.
- Body adornments, including but not limited to body piercing jewelry, which may jeopardize the safety and well-being of the student or others, are prohibited during physical education classes.

Any of the rules regarding the dress code are subject to the interpretation and/or discretion of the school administration. The administration also reserves the right to exclude students who are inappropriately dressed from attending class. Students may be sent home or serve after school detentions if clothing is deemed inappropriate.

Identification Badges (ID's)

Identification badges (ID's) are required for the safety of all students. Students are required to have their ID on them at all times. Replacement identification badges, if needed, can be purchased for \$5.00 from the technology department before or after school. If a student does not have their ID, they may be subject to disciplinary action.

Physical Education Requirements

All students must adhere to a dress code for physical education classes. The proper dress code includes: a sweatshirt or t-shirt, shorts, socks, and sneakers. Crocs are not considered appropriate footwear for gym class.

Failure to adhere to the dress code will result in:

1. Deductions from the student's grade
2. After school detentions
3. In School Suspension
4. Saturday detention

In addition to dress and participation, students are also graded on their skills and knowledge. A parent note will excuse a student from class for no more than two days. A doctor's note is required for excusals that last for three or more days.

Specific information relative to the grading system will be distributed by the Physical Education department to each student/parent. Information regarding locks and lockers for physical education will be addressed during the first week of school in the Physical Education/Health class. All students are responsible for locks on their lockers. A fee of \$10.00 will be charged for lost locks.

Physical Education is required of all 7th and 8th grade students. Students who do not participate will receive a failing grade. Please note that failures will affect eligibility to participate in school activities, dances, trips, etc.

Cafeteria Expectations and Policies

Lunch Rules

- Students who do not have their Student ID will not be allowed into the cafeteria until all students have been served food.
- Students are only permitted to eat lunch in the cafeteria and outdoor courtyard (tables located outside of the cafeteria exit doors).
- Students may only leave the cafeteria to use the bathroom or go to extra help.
- Students may go to their locker in the first five minutes and the last five minutes of the lunch period.
- Students are expected to clean the tables and throw away trash in the cafeteria or courtyard area.
- If asked, students need to clean trash or food from their table before they exit the cafeteria

- Students may study in the library during their lunch or recess period. Food and drinks are not permitted in the library. Students who are not studying or completing work will lose library privileges during lunch.
- Teachers and administrators have the right to assign students to seats and classrooms under any circumstances.

Indoor Recess Rules

- In the case of inclement or cold weather (below 35 degrees), students will be in the gym for indoor recess
- Students are not permitted to eat or drink in the gym during indoor recess
- Students are not allowed to use any type of sports equipment or items used to replicate sports equipment (empty water bottles, paper balls, etc.)

- Students are expected to conduct themselves in a safe manner. Students may not play-fight, or engage in any physical activity that is deemed unsafe by teachers or administrators on outdoor recess duty.
- Students may not use any sports equipment that may result in injury to themselves or their peers. Bats (metal, wood, or plastic), hard baseballs or softballs, golf balls may not be used during gym class. The following types of equipment are acceptable: tennis ball, volleyball, football, soccer ball, nerf ball. Teachers and administrators have the right to confiscate any equipment that is deemed unsafe.

Lunch Detention

The principal or the vice principal is directly responsible for maintaining student discipline and may assign students to lunch detention. Revocation of cafeteria privileges will result in assignment to lunch detention. Students will be under the strict supervision of a teacher but will be permitted to purchase lunch.

Fire Drills

Fire drills are held at least once per month in cooperation with the Cliffside Park Police and Fire Department. Promptness and silence are required. Above the door in each classroom is a card giving directions as to the exit to be used by the pupils in the room. If an alarm sounds while classes are passing in the halls, the students should proceed to the nearest exit. Students should remember that perfect order is essential for complete safety. State and Federal Laws

govern fire alarm equipment. Any student tampering with fire alarms/fire extinguishers will be subject to suspension, fines, arrest and prosecution.

Security Drills

Security drills will be conducted monthly in cooperation with the Cliffside Park Police and Fire Department. The purpose of such drills is to prepare students and staff for emergency lock down, reverse evacuation, evacuation, or shelter in place procedures should an emergency situation arise. Their classroom teachers will give students specific instructions.

Locker Information

Each middle school student will be assigned a locker with a PRIVATE combination. Under no circumstances should a student give their locker combination to another student. Each student will have an individual locker. Your locker is assigned and is the one you are to keep. Do not ask to have your locker changed.

Use only the school locks built in the doors. You may not put your own locks on your locker. If you do this you will be asked to remove it.

You may only go to your locker during the following times:

- Before school (8:20)
- First five minutes of the lunch period
- Last five minutes of the lunch period
- After school (until 3:00)

You may decorate your locker on the inside only. Anything you use to decorate must be easily removed. You must leave the locker in the same condition in which you received it. Any damage or vandalism will be your responsibility to fix or correct. Stickers are not allowed on the inside or outside of any locker (gym or student locker).

A school locker is a privilege, not a right. The administration may suspend or revoke locker privileges for violation of the above rules.

The Cliffside Board of Education believes that fostering an environment conducive to education, it has the responsibility to safeguard the welfare of all students by maintaining discipline, order, and safety at all times in all school locations. It also recognizes that each student locker remains the property of the school district and remains under the joint control of both the school district and the student. The Board believes the right of inspection of students' school lockers is inherent in the authority granted it and, as such, has had administrative procedures developed to ensure that every safeguard is employed to protect the well-being of

all students. These procedures must be followed when conducting a reasonable search of lockers to ensure safety, order, and discipline within the schools.

Make-up Work

If a student is absent from school, all work must be made up. It is the responsibility of the student to make arrangements to get all past assignments. Parents may request work when a student is absent for two days or more by emailing the teachers. All faculty emails are on www.cliffsidepark.edu. Parental follow-through upon request is greatly appreciated. Work not completed could result in lower averages. Please note that students who are suspended from school may receive a "0" for classes that day.

Parent / Guardian Conferences

Parent-teacher conferences provide an opportunity for the teacher and parent to develop a mutual understanding of the student's growth and development and to exchange valuable information that will aid the educational process. Parents/guardians are encouraged to contact the Guidance Office (201) 313-4908 for conference appointments on an as-needed basis.

Parent & Student Portals

Parents and students may see academic and attendance information at any time on the Realtime Portal. Students will be given usernames and passwords within the first weeks of school. Parent portal information is available on the district and Middle School websites. Portal usernames and passwords do not change each year.

Progress Reports

In an effort to keep the parents/guardians informed of the student's progress, progress reports are issued midway between report periods. These progress reports cover commendations, deficiencies and/or failure notices. Progress report dates can be found on the district website and school calendar.

Report Cards

Report Cards will be available on the parent portal at the end of each marking period. This is a means of informing parents/guardians of the student's progress.

Grading

Teachers will develop an approved system of grading tests, quizzes, homework, and independent projects. These grading methods will be clearly communicated to students and parents in the course proficiencies distributed at the beginning of each course offering.

Honor Roll

Outstanding academic work is recognized through an honor roll. Students are selected for the honor roll each marking period. To be placed on High Honor Roll students must receive A's in all subjects. Honor Roll students must receive A's and B's in all subjects. In 8th grade, students who meet the established criteria will be eligible for induction into the Cliffside Park Middle School Chapter of the National Junior Honor Society.

National Junior Honor Society

Candidacy for the National Junior Honor Society is based on final grades at the end of 7th grade. Students who receive A's and no more than one B in any class are candidates. In the 8th grade, students are not permitted to receive more than one B in any marking period in any class. There is also a 10-hour community service requirement in 8th grade.

Testing

Tests are evaluative instruments designed to measure student performance and progress toward the attainment of instructional goals and objectives. Frequent assessment of student progress enables teachers to proceed to the next intended skill or to consider re-teaching of skills not mastered. Further, students may prepare and study reasonable amounts of material rather than be expected to "cram" for lengthy unit tests. The development of good study habits is an important middle school objective. The intention of frequent monitoring of progress is to accomplish our often stated mission of "Striving for Excellence."

Activities

The Middle School may offer many co-curricular activities on an after-school basis. Activities may include, but are not limited to: soccer, boys and girls basketball, girls' volleyball, softball, baseball, track/cross country, Student Council, school newspaper, drama club, chorus, band, yearbook and debate club. Restrictions: A student may not participate in co-curricular activities such as practice sessions, plays, concerts, dances, athletic contests, and special after-school events if a) he/she is absent or under suspension on the day on which the activity occurs. The only exceptions are pre-arranged appointments or b) he/she fails more than one subject for the marking period.

Student Arrival

Students will not be permitted in the Middle School prior to 8:00 a.m. Students who are coming to extra help in the morning must have a pass and must meet the teacher in the Main Office. Students may arrive before 8:00 for breakfast in the cafeteria or may go to the Media Center. Students may not go to their locker or bathroom without permission.

Emergency School Closing

Check the district or school website for information about school closings, delays, or early dismissals. Social media pages for the district or school will also post emergency closing information as soon as possible. You will also receive a phone call and/or text message via the district's "Swift Reach" notification system. Please be sure that your home telephone number is updated in the Parent Portal.

The Cliffside Park School District has developed a school schedule that will be in effect on days when weather conditions necessitate a two-hour delayed opening. Because of rapidly changing weather conditions, this procedure will allow us to have school in session rather than canceling the day, which would require a make-up day. The opening will be delayed two (2) hours in most instances. Bus pick-up will be in the usual locations and pick-up time will be at the same

differential as for the regular school schedule (for example, if pick-up was 20 minutes before the school opening it will still be 20 minutes before the delayed schedule time). More information is distributed directly to parents/guardians as the winter months approach.

DELAYED OPENING and EARLY DISMISSAL TIME SCHEDULE:

Students who take the bus must go to the cafeteria after 9th period unless they have made arrangements to be picked up early **on Early Dismissal school days.**

Bus Rules & Regulations

It should be noted that riding the school bus is a privilege. Students are permitted to ride only the bus to which they are assigned. This privilege may be suspended or revoked as a result of committing any of the following offenses:

1. Throwing or shooting any object on the bus or at the bus.
2. Throwing any object out of the school bus window.
3. Fighting on the bus.
4. Putting hands or head outside of the bus window.
5. Maliciously defacing or damaging the bus in any way.
6. Disrespect to the bus driver; i.e., abusive or vulgar language.
7. Failure to obey any reasonable directive from the bus driver; or bus aide, i.e., changing a student's seat.
8. Failure to sit in an assigned seat.
9. Failure to wear seat belts, when the bus is equipped with seat belts.
10. Disruptive behavior; i.e., yelling, screaming, or disturbing other students.
11. Any other negative behavior reported by the bus driver.
12. Students designated to travel by bus are required to do so, unless a written parent request is submitted to the school.

Scheduling

Scheduling consists of matching a given student and his/her specific strengths/weaknesses to the most appropriate curriculum. The Guidance Counselor assists in developing a realistic program for each student. Test results, teacher recommendations and current academic achievement levels are the primary criteria for student placement. Renaissance Learning scores, benchmark testing, quarterly grades, and state testing will also impact a student's schedule. Additional placements are made for special needs students, basic skills instruction and academically advanced programs.

Counseling

Students and parents of middle school students are faced with a broad range of concerns. Counselors can assist with such concerns as study skills, organizational skills, budgeting time, decision-making and communication skills, self-concept and self-esteem, long range educational planning, peer pressure, and parent-child-sibling relationships. Intervention counseling may also take place.

Consultation and Referrals

Information regarding referrals to both private and community agencies can be obtained through the Guidance Department. The list of local agencies and their contact information can be found on the Middle School website:

(<https://sites.google.com/cliffsidepark.edu/cliffsideparkms/home>)

Promotion Policy

In order to be successful in any academic program, students must develop strong study habits and maintain a good attendance record at school.

1. Failure in a major course will affect promotion and/or graduation. Any student who fails a class in ELA, Math, Science, or Social Studies will be required to attend an approved summer school program. Failure to attend summer school and earn a passing grade will result in retention. Students who fail more than two major subjects are ineligible for summer school and will be retained. There will be a non-refundable \$20 registration fee for all students who are going to attend summer school.

Eighth grade students who fail one subject will not be permitted to participate in the graduation ceremony.

2. Failure in one or more full year elective courses including Spanish and its paired course will require the student to complete and pass a general elective course during the summer.

Eighth grade students who fail one or more full year elective courses will not be permitted to participate in the graduation ceremony and must fulfill summer school obligations to move on to grade 9.

Seventh grade students who fail one or more full year elective courses may not be permitted to participate in any co-curricular events or athletic teams during grade 8 if they do not fulfill their summer school obligations.

Administration has the right to retain students based on excessive absences. More than 10% of missing school days is considered excessive. Graduation and participation in after school activities is in jeopardy if a student is missing more than 10% of school days.

Homework

Out-of-school assessments are a reasonable part of the learning process. Home study or homework shall:

1. be given in amounts reasonable to the age and ability of the students.
2. grow naturally out of class work as reinforcement, enrichment, or make-up work following an absence.
3. be meaningful and not "busy work" or "punishment."
4. lead to improving or strengthening study habits.
5. take into consideration the conditions under which the student will likely function. Most students do not have a reference library; many do not have a private study area at home.
6. be considered important enough to collect, check, record, and discuss the outcome with the student.
7. not completing homework on a regular basis will have consequences on the grade received in that class.

It is the responsibility of the student to complete assignments conscientiously. Teachers communicate on a daily basis and thereby work together to avoid excessive assignments on any given evening. Homework is a vital part of the daily lesson and when successfully completed contributes to higher achievement.

Attendance and Excuses

Students are required to attend school regularly and on time.

N.J.S.A. 18A:38-31 "A parent or guardian or other person having charge and control of a child between the ages of 6 and 16 years, who shall fail to comply with any of the

provisions of the articles (N.J.S.A 18A:38-25) relating to his /her duties, shall be deemed to be a disorderly person and shall be subject to a fine of the discretion of the court.

Parents are asked to call the school to report the absence of their child. Please call our Main Office phone number (201-313-2361) before 9:00 A.M or email the secretary in advance. Ms. Ramos can be reached at cramos@cliffsidepark.edu to report any student absences. You will receive a text message and/or phone call if your son or daughter is not in school.

Students who are absent from school for three consecutive days due to absence, must have a doctor's note to return to school. Students must give the note to the nurse upon arrival at school.

Early Dismissal Procedures

- When requesting an early dismissal for a student, a parent/guardian is asked to send in a written note on the same day of the requested dismissal. Please include in the note the reason and time of the dismissal. All appointments should be made after 3:00 P.M. if possible.
- The student should bring the note to the Main Office as soon as possible.
- Parents/Guardians are required to meet their child at the Main Office at the scheduled time. The student must then be signed out on the Main Office log. Students are not permitted to walk home unless given permission by school administration.

Attendance Guidelines

Students not in compliance with the following guidelines may be subject to after school detention, Saturday detention, suspension and a parent/guardian meeting. Additionally, students may be excluded from graduation and the 8th-grade dinner dance or other special events.

Late to School

1. Chronic tardiness to school or class will affect a student's academic grade in that class. A student who is not present 100% of the time does not receive the same instruction as those who are present. Any student who is late to school or to any one class more than 12 times during a marking period may not be able to attend or join extracurricular activities. These activities include, but are not limited to, participating on sport teams, attending trips, dinner dance and other special events, etc. Such absences may cause a student to be retained or excluded from 8th grade graduation. This policy will begin anew at the beginning of each marking period.

2. All students who arrive at school after 8:20 a.m. are considered late to school. Students arriving late to school after 8:30 a.m. must enter through the front doors and obtain an admittance slip from the secretary to enter. A detention will be assigned to students if they are late five times to each class. Detentions will be issued for every five lates to class. For example, a student would receive a detention for the 5th late, 10th late, 15th late, etc. If the administration feels a student is chronically late to school or class, a Saturday detention might be issued. Students might be assigned morning detentions as an alternative to after school or Saturday detentions.

3. Any student arriving late to school after 8:30 must enter through the main door on Oakdene Avenue and sign in at the Main Office. He/she will be given an admittance slip to class.

4. LATE TO CLASS: Students must arrive to all classes on time. Any student arriving to class late will be admitted by the classroom teacher. A detention will be issued for every five lates to class.

Cutting Class

Any student missing from class whose name does not appear on the daily absentee list will be charged with a class cut and have his/her name submitted to the Vice Principal for disciplinary action.

Attendance Conference and Appeal Process

1. Main Office personnel will refer to the Vice Principal the name of any student who has any pattern of absences.
2. Parents/guardians of any such student will be contacted by phone and/or letter.
3. If, despite the warning, the student continues to exhibit excessive absenteeism, the Vice Principal will notify the student and his/her parent(s) or guardian(s) that an in-person conference will be required to discuss the reasons for the absences.

Conferences with the Principal and/or the Vice Principal:

1. During the conference, the importance of regular school attendance will be stressed. State law mandates that a student's regular attendance in school is the responsibility of the parent or guardian.
2. In the case of excessive absences, medical documentation may be necessary.
3. Truancy charges may be filed in cases where excessive absences continue. If truancy charges are filed, a parent must appear before the prosecutor and/or judge (virtual or in-person) to plead their case. Any fines levied against them are from the Borough of Cliffside Park.

Long Term Medical Absences

To request home instruction due to a temporary illness or injury, the parent shall submit a written note requesting home instruction. In addition to the parent request, a written determination from a physician documenting the need for confinement at the student's residence for at least a two week period of time is required. The doctor's note must include a diagnosis, prognosis, suggested starting date for home instruction, and the approximate length of time the home tutoring will be required. A parent or an adult responsible for the student must be present in the home during the tutoring process. Questions regarding this process should be directed to the middle school guidance counselor.

Drugs and Medication Administration of Medications While at School

Parents or legal guardians of students requiring medication during school hours should communicate directly with the school nurse.

Health Procedures

To insure a happy and healthy school experience for all of Cliffside Park's children please adhere to the following health guidelines:

The nurse's office is a place to come when students are injured or become ill in school. In the event of a serious injury/illness, the parent/guardian may need to be notified. Therefore, it is extremely important that the school have up to date phone numbers including home, business or cell phone.

You are reminded that your child should remain at home if any one of the following occurs:

- Nausea and/or vomiting within the last 24 hours;
- Diarrhea within the last 24 hours;
- Temperature of 100 or higher within the last 24 hours;
- Contagious or unexplained rash
- Any symptoms of acute illness such as a persistent cough or runny nose with body ache.
- Strep is suspected, but results of the overnight throat culture have not been received. If your child has a positive throat culture they may return to school 24 hours after antibiotic treatment.
- Eye drainage that is not clear;
- Impetigo until no longer symptomatic and 24 hours after treatment has been initiated.

A doctor's note is needed if your child has a contagious illness or a contagious illness is suspected. When not seen by a doctor a note from the parent might be acceptable. All notes should contain a diagnosis or a description of the problem.

Any child coming to school with sutures, crutches, casts or immobilizers needs a note from a physician stating the diagnosis, activity limitations and when activity can be resumed.

If medication needs to be administered in school it is necessary to contact the school nurse in order to obtain the proper approval forms. Any school personnel can administer no medication of any kind without these forms being completed and approved.

If further information is needed, please contact the school nurse at 201-313-2362.

Middle School Student Code of Conduct

Introduction

Although the student code of conduct contains a list of infractions, it is clearly intended not to be all inclusive, since no list can be. It should be noted that the administration and/or the Board of Education have the power to administer discipline for any offense which is in violation of what is deemed acceptable conduct for students in the Cliffside Park School District. School is a place where students not only learn about the rights and responsibilities of citizenship, but also gain valuable experience in appropriately exercising them. It is important to strike a balance between rights and responsibilities in order to contribute to the maintenance of a school environment which is positive, conducive to learning and safe for all members of the school community. In accordance with this philosophy, all middle school students and staff will be required to wear an ID badge.

This code of conduct has been prepared to specify:

1. Acceptable behavior and unacceptable behavior.
2. Procedures to determine violations of rules.
3. Consequences for such violations.

The school acts "in loco parentis," that is, in the place of the parent with respect to the supervision of a student's education and conduct while he/she is in school. This authority and the code of conduct, extends to school sponsored functions.

Each student is guaranteed the right:

1. To be heard.
2. To have fair and consistent rules.
3. To have access to due process procedures.

All students have rights to an education that supports their rights to develop into productive citizens.

These student rights are accompanied by student responsibilities:

1. To attend school and classes regularly.
2. To respect school property.
3. To refrain from conduct that disrupts or threatens to disrupt the learning of other students.

The code of conduct has been developed to address the responsibilities of students to attend school and to attend classes, making fully clear the possible immediate benefits and/or long-term consequences of excessive absences, truancy, class cuts, and tardiness.

The following behaviors will not be accepted and will result in disciplinary or administrative action. Punishments for breaking the code of conduct will be, but not limited to after school detention, Saturday detention, suspension, and/or expulsion.

All consequences are graded according to the severity of the offenses. A student's developmental age and history are taken into consideration for any inappropriate behaviors. All punishments will be consistent and enforced without judgment on a student's race, color, religion, ancestry, nationality, sex, gender, sexual orientation, gender identity, mental, physical, or sensory disability

All expectations are consistent with Cliffside Park Board of Education policies and procedures.

Suspension

Suspensions will be issued to any student who flagrantly and/or constantly disrupts the ongoing continuity of the classroom setting. Parents/guardians will be notified and advised of the circumstances leading to this administrative action.

Suspensions will be issued to any student whose actions affect their own safety as well as the safety and well-being of others. Additionally, out of school suspension will be issued to any student whose actions flagrantly and/or constantly disrupt the ongoing continuity of the school setting. A student who has been issued out of school suspension will not be permitted to return to school until school administrators are satisfied with the results of a conference between themselves and the student's parents/guardians.

While on external suspension, students are not permitted on school grounds at any time before, during, or after school to include evening and/or attendance at any extra-curricular/co-curricular activity, dance, etc.

Restorative practice is a proven approach to discipline in schools that favors relationships over retribution, and has been shown to improve behavior and enhance teaching and learning outcomes. Restorative practices include community service, completing online course work, writing reflections or essays, or participating in counseling and mentoring services. Detentions, Saturday detention and school based community service will be issued at administrative discretion.
